EGCC has partnered with Google to provide a cutting-edge, relevant IT degree at a relatively low cost to OCSEA members and their families.

While not free, the total cost for all class certifications is **only \$780**, or \$130 per course.

Add to that the general courses for the IT degree covered under the free OCSEA college scholarship, and students will save thousands of dollars.

The normal cost of this IT program at EGCC is \$12000 and even more at other colleges!

Three of the EGCC IT courses were developed in partnership with Google and will be offered with a full scholarship. Students who successfully complete those courses will earn the Google IT Professional Support Certificate, an industry recognized credential!!
